

2010 Light Body Free Healing Clinics

July 16th & August 13th & September 10th

10:00 AM - 5:00 PM

ALL SESSIONS ARE FREE OF CHARGE

Each day is an offering dedicated to those in the community who might not otherwise have the chance to try a new treatment or two, receive answers to their questions, ease physical and/or emotional pain, improve bio mechanical alignment, clear their chakras, and calm their nerves.

Receive care from a wide array of speciality providers including Physical Therapists, Massage Therapists, Reflexologists, and Reiki Practitioners to name a few.

All Treatment is provided at no cost. If you feel you would like to give something, there will be a voluntary donation jar to benefit the Coastal Humane Society.

It's a win/win event! Those in need receive free treatment, practitioners have a lovely forum in which to give, and all donations are given to the homeless animals in our community.
